Dear Ms. Hanna:

Thank you for your kind note following the 43rd federal election.

I have tremendous respect for the Neighbourhood Pharmacy Association of Canada. Your organization does exceptional work to advocate for neighbourhood pharmacies and their vital role in providing patient services.

As we prepare for the 43rd Parliament, our Conservative Caucus looks forward to engaging with Neighbourhood Pharmacies on health care issues affecting Canadians. I welcome your constructive counsel and have noted your organization's approach to national pharmacare, *Complete the Plan*.

Conservatives believe that every Canadian should have reasonable access to the healthcare they need. Please be assured that we are considering many ways to help Canadians better afford their medications.

Once again, thank you for your thoughtful message. I extend my best wishes to your organization for continued success.

Sincerely,

The Hon. Andrew Scheer, P.C., M.P.
Leader of the Official Opposition
